

Springtime Scavenger Hunt!

Spring has sprung! Can you find....

Green sprouts coming up from the ground!

Buds on trees, not yet opened!

Robins!

A blooming daffodil or crocus!

A bee collecting pollen from a flower!

A butterfly!

A tree or bush in full bloom!

See ducks or geese flying overhead!

Hear a woodpecker pecking!

Find an earthworm or night crawler!

See a lady bug or beetle!

What other signs of spring do you see where you live?
